capella properties, Redefining Real Estate in Dubai UAE

1 bedrooms in the Imperial Avenue are located between 6th floor and 13th floor, all the 1 bedrooms come with the top grade quality used across the board in the development of The Imperial Avenue. The quality of the fixtures is evident in the beautiful images on this link, the white goods are by the renowned Italian brand Miele, every other detail has been paid attention to, from the marble flooring to the water taps in the bathroom. 1 bedroom category comes with the study option as well.

Shapoorji Palonji comes with a history like no other in the line of developers in Dubai, very have the body of work that comes at par with their work. Already an established name in India, the journey of the developer began in 1937 with Brabourne cricket stadium in Mumbai leading up to the Sultan of Oman palace in the 70s, Airport in Nice in the 80s, project contractor for Emaar and Dubai properties and closing with landmark building in Dubai Marina in 2016 (a customized project for the landmark group)

Imperial Avenue is a complete package, truly, in essence, a lifestyle choice with 13 hi-speed elevators, a 10,000 sq feet lobby area which resembles a five-star luxury hotel, the façade of the tower has been designed by the same architect for Armani hotel, Dubai.

The tower hosts an in-house theater, squash court, an infinity pool on 26th-floor sky deck overlooking the grandeur of Burj Khalifa, an infinity pool on the 9th floor for families, a grand landscaped podium with a jogging track, dedicated pool for kids and with an easy access a retail section. You will not want to leave.

Another star attraction of the project is an eco-sustainable development using solar panels to provide hot water, grey water harvesting unit and water purifiers making the maintenance fees easily 30% lesser than the surrounding towers.
