This lovely villa is builton a Plot Size8,798Sq Ftwith BUA 5,242Sq Ft

The Islamic Cluster is a two stories high atrium built in Spanish design over-looking the landscaped garden which is fitted with lighting effect creating an ambience which is striking especially at night time. Thegarden has a state of the art irrigation system installed

The security is top-notch with a fence built around the property and a remote control gate, there is additional parking space for upto three vehicles besides the garage plus there are multiple car parking available outside

Jumeirah Islands is a community built on fifty small islands out of which forty-six islands are residential. The community is surrounded by winding waterways and beautiful waterfalls. The manmade islands and lakes are home to 730 well-furnished houses.

The community has a tranquil ambience, in the winters it witnesses upto 500 species of birds migrating, a walk in the evening can simply lead to encounter with peacocks, squirrels and gazelles walking around within the green of the community

The ideal environment of Jumeirah Islands brings together nature with modern living. Designed by world renowned architects these are considered to be one of the most sought-after villas inDubai real estate market
