Palm Jumeirah is the world's largest man-made island. It is a residential and tourism destination launched in the early 2000. It includes a beautiful and luxurious community living with ample amount of entertainment and leisure to be enjoyed by those visiting and living, with excellent views of the sea and marina. Within the Palm Jumeirah you will find grocery shops, salons, spas, restaurants and bars. Together with children's play areas, cafes and even a travel agency

Palm Jumeirah like its name is environment friendly reclaimed island. It hosts the famous Atlantis hotel situated at the crescent of the palm. The crescent of the palm is connected to the top of the palm by a subsea tunnel. It has a main trunk which hosts residential apartments, hotels and retail and the villas are located on the fronds protected from the sea by breakwaters
