BUA2,225Sq Ft, This luxurious 2 bedrooms apartment is built in a low-rise and low density development, every unit is set into the natural tree canopy with landscaped gardens and beautiful skyline views

This elite plush green community is located 20 minutes from Dubai International Airport!!

There are two categories in the community, each category is crafted differently, allowing buyers to choose a home that ideally suits their personality and life style. The segments are separated by dense forested areas, creating secluded natural havens

The buyers have a choice to select from 1, 2, and 3 bedrooms units, with over six levels. The homes are arranged in a step-layered design, ensuring all the homes enjoy natural light without being fully exposed to the sun at most time of the day. The chic, all-white design in an ultra-modern style is open and airy, with all the space to breath. The façade of cascading terraces create distinctive views for each home
