This elite plush green community is located 20 minutes from Dubai International Airport!!

There are two categories in the community, each category is crafted differently, allowing buyers to choose a home that ideally suits their personality and life style. The segments are separated by dense forested areas, creating secluded natural havens

The buyers have a choice to select from 1, 2, and 3 bedrooms units, with over six levels. The homes are arranged in a step-layered design, ensuring all the homes enjoy natural light without being fully exposed to the sun at most time of the day. The chick, all-white design in an ultra-modern style is open and airy, with all the space to breath. The façade of cascading terraces create distinctive views for each home
