Villanova
The Master Community- Villanova is one of the most imperative master-planned residential and leisure destinations in Dubai. This community is in Dubai land with direct access to Emirates road and minutes away from Al Maktoum International Airport.
Villanova offers its latest an array of standalone villas (La Quinta) & Townhouses (Amaranta) amidst landscaped paseos complete with walking and biking trails, intersecting linear parks and fountains.

Amaranta I
Amaranta I is the first phase of Villanova. This phase consists of spacious 3, 4-bedroom Townhouses inspired by Classic Mediterranean designs with elegant detail creating a comfortable home that is also affordable.
These spacious Townhouses include full facilities such as maid room, storage, laundry and shaded carports. Interior finishing pays to Mediterranean design with earthy, warm tones with two color schemes available.

Amaranta Townhouses contain various frivolous amenities, each one has spacious gardens, utility spaces, and private parking, community centers, recreational areas and lively walkable streets all make each townhouse more than a home.

Picnic lawns and basketball court, as well as other community-wide facilities like mosques, retail outlets with outdoor seating and more.

Interest in the project has increased due to the announcement of Dubai’s largest public park being constructed very close to Villa Nova and La Quinta.
