Villanova
The Master Community- Villanova is one of the most imperative master-planned residential and leisure destinations in Dubai. This community is in Dubai land with direct access to Emirates road and minutes away from Al Maktoum International Airport. Villanova offers its latest cluster homes, and an array of standalone villas & Townhouses amidst landscaped paseos complete with walking and biking trails, intersecting linear parks and fountains.

Amaranta III
Amaranta III is the third phase of Villanova and is being developed with the focus on conscientious communities and creating a healthy space for families to grow together in their own spaces. This phase consists of spacious 3, 4-bedroom Townhouses inspired by Modern Spanish designs with elegant detail creating a comfortable home that is also affordable. These spacious Townhouses include full facilities such as maid room, storage, laundry and shaded carports. Interior finishing pays to Mediterranean design with earthy, warm tones with two color schemes available.

Life at Amaranta III comes equipped with spacious gardens, utility spaces, and private parking together with a pool house, playground, and sports court.
Community Centers, recreational areas, and lively walkable streets all make each townhouse more than a home. Picnic lawns and basketball court, community- wide facilities like mosques, retail outlets with outdoor seating and more.
