A brand new building on main Sheikh Zayed Road with all the amenities such as state of the art gym, on a full floor, infinity pool and a five-star lobby. The details that have been taken into consideration give the residence a sense of comfort and grandeur. Paved with Italian marble, dramatically lit elevators that only work with a unique access card, corridors that are full and open, apartment doors that are broad and tall all come together to create a visual display like no other on Sheikh Zayed Road. Close to the metro station with easy access to a vibrant nightlife, this becomes the perfect choice.

Two bedroom apartments come in two different layouts, each pleasing the palette of the resident. There is an option of an open marble counter which gives the homeowner the opportunity to

socialize while still managing the kitchen. The extra storage space is always a plus for a family to live in. The closed kitchen is another option for families that prefer a particular lifestyle. Both the types still manage to look spacious in their own way.
