Business bay is a central business district in Dubai, United Arab Emirates. The district features numerous skyscrapers located in an area where Dubai Creek is to be extended. Business Bay will eventually have upwards of 240 buildings, comprising commercial and residential developments. Business Bay will be a new ‘city’ within the city of Dubai and is being built as a commercial, residential and business cluster along a new extension of Dubai Creek extending from Ras Al Khor to Sheikh Zayed Road. Covering an area of 64,000,000 square feet (5,900,000 m2), once completed it will comprise office and residential towers set in landscaped gardens with a network of roads, pathways and canals.
