This commercial tower is located at 10 minutes walking distance from city center metro station. Fitted with high-quality fixtures, clean pantry, and panoramic view makes this building a perfect space for businesses interested in being located at the heart of the city.

Deira has been the commercial center of Dubai, for the past forty years. Port Saeed is a small port along Deira's shore of Dubai Creek. Port Saeed holds some of the dhow cruises and small shipping boats in Dubai.

Deira has developed much since its early days with the development of both overhead and underground metro tracks, some shopping malls springing up, and modern buildings and towers under construction within the area.
