This project development only hosts 1 bedroom units, designed in a way that all the rooms including the kitchen get plenty of sunshine. Top of the line fittings, built in wardrobe, closed kitchen make this one of the best buildings to live in DSO.

Dubai Silicon Oasis (DSO) is an authentic business and residential community that is rich in innovation, technology and convenience. A free zone that is beautifully designed to offer a wide range of integrated upscale residential and business facilities.

A thriving community for exceptional lifestyles. Live, work, entertain, shop and learn in DSO’s dynamic urban environment,

offering residents and visitors alike a superb range of outstanding technology, facilities and services.

The community has community features such as the silicon park, where you can rent bi-cycles and ride within the community, jogging track, hotels. Also Dubai Government has taken a strategic direction on smart cities that focus on six pillars: life, society, mobility, economy, governance and environment with DSO being the fore bearer of the concept.
