The best thing about Mohammed Bin Rashid city, it is 5 minutes drive from downtown, close to Dubai international airport, easily accessible from Sheikh Zayed road. The city is uniquely built on a mixed-used developmental program, a city that integrates residential, commercial, cultural, institutional aspects of a community bringing them together functionally.

Very closely linked to the Business Bay area, Dubai design district, inclusive of the mall of the world – connecting arts, leisure, and entertainment.

These townhouses are surrounded by 183 acres of land out of which 30% is open space. Close to the city yet secluded, a private place. The townhouses are designed for luxury with ample space, numerous options in layouts suiting your individual need, each townhouse comes with a fitted lift, marble flooring, quality fixtures.
