Jumeirah! A name that has become a brand over the period of years. The ruling family of Dubai has established their upmarket hotel chains under the name of Jumeirah as well. The area since 1960s onwards has been popular as place to live by western Expats along with Old moneyed Emirati families with their mansions and now has become one of the most expensive areas to live in Dubai.

With plenty of Cafes, beaches, restaurants along the beach road starting from the Union Flag square going all the way upto Jumeirah beach hotel. These offices are part of an exclusive mall, for discreet businesses that value privacy.
