capella properties, Redefining Real Estate in Dubai UAE

This is a low-rise building located on the main Sheikh Zayed Road positioned near the metro station. Sheikh Zayed Road is the main artery of the city. The highway runs parallel to the coastline from Trade Centre Roundabout to the border with the emirate of Abu Dhabi, 55 kilometres away in the area of Jebel Ali. The Sheikh Zayed Road is home to most of Dubai's skyscrapers, including the Emirates Towers. The highway also connects other new developments such as the Palm Jumeirah and Dubai Marina. The road has most of the Red Line of Dubai

Metro running alongside it. In Dubai itself, much of the highway has seven to eight lanes in each direction.
