Le Presidium Towers are newly developed residential towers in Dubai Silicon Oasis. The apartments are built by Credo Developers, they have delivered multiple successful projects in the past. These apartments are well thought out and give the space plenty of Sunshine. Situated in Dubai silicon oasis, the distance from Downtown Dubai and Dubai international airport is near. Enjoy the DSO community, with jogging tracks, a community center and plenty of parks.

Dubai Silicon Oasis (DSO) is an authentic business and residential community that is rich in innovation, technology, and convenience. A free zone that is beautifully designed to offer a wide range of integrated upscale residential and business facilities

A thriving community for exceptional lifestyles. Live, work, entertain, shop and learn in DSO's dynamic urban environment, offering residents and visitors alike a superb range of outstanding technology, facilities, and services.

The community has community features such as the silicon park, where you can rent bicycles and ride within the community, jogging track, hotels. Also, Dubai Government has taken a strategic direction on smart cities that focus on six pillars: life, society, mobility, economy, governance, and environment with DSO being the forebearer of the concept.
