For detailed virtual tours of properties in Dubai, visit www.capellaproperties.ae

The best thing about Mohammed Bin Rashid city, it is 5 minutes drive from downtown, close to Dubai international airport, easily accessible from Sheikh Zayed Road. The city is uniquely built on a mixed-used developmental program, a city that integrates residential, commercial, cultural, institutional aspects of a community bringing them together functionally.
Very closely linked to Business bay area, Dubai design district, inclusive of Mall of the World – connecting arts, leisure, and entertainment.

These apartments are surrounded by 183 acres of land out of which 30% is open space. Close to the city yet secluded, a private place. The apartments are designed for luxury with ample space, numerous options in layouts suiting your individual need.

Nestled within Mohammed Bin Rashid city are these garden apartments, these stylish apartments rise up to 8 stories high and overlook the lush green canopies of their surroundings.
