Amwaj 4 is towards the tail end of the JBR strip, with most of the hotels close by and the walk just across the road it makes the building an attractive location on the strip. The JBR tram station is less than 5 minutes walk from the main building.

Jumeirah Beach Residence (JBR) is a 1.7 kilometers long, 2 square kilometers gross floor area waterfront community located against the Persian Gulf Marina, United Arab Emirates. It is the largest single phase residential development in the world and contains 40 towers (35 are residential and 5 are hotels).

JBR can accommodate about 15,000 people, living in its apartments and hotel rooms. The Project has 6,917 apartments. The developer, Dubai Properties (a subsidiary of Dubai Holdings), launched JBR in August

2002, this AED 6 billion project was completed in 2007

"The Walk at JBR" restaurant and shopping strip, which is adjacent to the beach behind JBR, is a very popular location for Al Fresco Dining (Outdoors dining)  
There are five hotels, rated as 5 star or 4 star, four of which are purpose-built hotels, while one is a converted residential tower
