Villanova – The Master Community
As one of the most imperative master-planned residential and leisure destinations in Dubai, Villanova by Dubai Properties is home to a few Dubai's foremost attractions. This community is in Dubai land with direct access to Emirates road, minutes away from Al Maktoum International Airport. Villanova offers its latest cluster homes, and an array of standalone villas and townhouses amidst landscaped with walking and biking trails, intersecting linear parks and fountains.

La Quinta
La Quinta is the second phase of Villa Nova. This phase consists of 3, 4 and 5-bedroom Standalone villas. There are two styles of villas being offered: Mediterranean & Portuguese themed designed villas with elegant detail creating a comfortable home that is also affordable. Interest in the project has increased due to the announcement of Dubai's largest public park being constructed very close to La Quinta. These spacious villas include full facilities such as maid room, storage, laundry and shaded carports. Outdoor amenities include Picnic lawns and community-wide, as well as other community- wide facilities like mosques, retail outlets with outdoor seating and more.
