A brand new building on main Sheikh Zayed Road, an addition to the skyline, with all the amenities such as state of the art gym, on a full floor, infinity pool and a five-star lobby. The details that have been taken into consideration give the offices a sense of comfort and grandeur. Paved with Italian marble, dramatically lit elevators that only work with a unique access card, corridors that are wide and open. Close to the metro station with easy access, this becomes the perfect choice.
