

Jumeirah Islands – Upgraded to Open Plan Style, 4 bedroom Villa – Built on Large Corner Plot of 11,000 Sq-Ft, Built up area 5,400 Sq-Ft

Property is rented - ID: I/L/R/JIL/WA/0813/01 - Jumeirah Islands Mediterranean Cluster - Villa

4 Bedroom Villa Upgraded to Open Plan Style– Entertainment Foyer, Mediterranean Villa – Costa del Sol with Private Pool

This lovely villa is built on a corner plot and is open on three sides, which makes it airy and allows the villa to breathe in all its beauty. The property is situated at a short walk from the tennis court, the children’s park and the clubhouse all of which is well maintained. The cluster in which the villa is built is child friendly and the community is quiet. To top it off, the villa has a fabulous view of JLT skyline

The entertainment foyer is a two stories high atrium built in Spanish design over-looking the landscaped garden which is fitted with lighting effect creating an ambience which is striking especially at night time. The well maintained garden has a state of the art irrigation system installed and is home to over fifty Tropical and Mediterranean trees, which include oranges, fig, mango, banana, guava and olives.
