Vacant 3 bedroom Apartment with Large Balcony in Al Ghaf, one of the best communities in The Greens

The Greens Dubai are a popular alternative from pricey freehold residential units and a frequent choice amongst property investors

Set on the outskirts of the Emirates Living Community, the Greens offers the best in convenience and comfortable family living. Dubai is populated with high-rise freehold properties and the Greens bring a uniqueness in their low-rise design and community environment

Surrounded by communal courtyards, beautiful gardens, swimming pools, gyms and barbeque areas for the residents use. This concept of grouping the buildings between the facilities promotes the idea of a community

Each of the units is finished to a high standard, will full amenities within the apartments, spacious rooms and large balconies offer fantastic view of the community. The Greens are still a popular choice with buyers due to their fantastic location next to Sheikh Zayed Road, sleek finishing and great value for money
This apartment has separate Lounge and Dining Area
